MESSAGE FROM THE EXECUTIVE OFFICER

Jason Kaiser, Executive Officer

We hope you found the winter 2017 *Progress Notes* informative. The upcoming fall 2018 *Progress Notes* will feature some exciting news. In the meantime, the board has released this spring 2018 edition to keep stakeholders informed of recent activities.

A new change to our newsletters—beginning with this spring edition—is announcements of newly licensed physical therapists and physical therapist assistants. Check to see if someone you know deserves a congratulatory note for recently becoming licensed!

MISSION STATEMENT

The mission of the Physical Therapy Board of California is to advance and protect the interests of the people of California by the effective administration of the Physical Therapy Practice Act.

BOARD MEETINGS: WATCH FOR US

Board meetings are held throughout California to give the public and licensees the opportunity to attend. Information regarding dates, locations, and agendas for board meetings are posted on the board website (www.ptbc.ca.gov) at least 10 days prior to the meeting dates.

The board convenes in public meetings to conduct the business of the board, make regulatory and enforcement decisions, and to address other issues within its jurisdiction.

Continuing competency hours may be awarded for attending board

meetings in person to encourage physical therapists and physical therapist assistants to learn more about the issues and operations of the board.

Can't attend a meeting? While you won't receive continuing competency credit, you can still view the meeting actions via webcast. Follow the board

on Facebook and Twitter, and receive notifications and a link to gain access on the meeting day.

Do we have your email address?

As of Jan. 1, 2014, licensees are required to provide the Physical Therapy Board of California (board) with an email address, if the licensee has one. Email notifications are an efficient way for sharing information between the board and its applicants and licensees.

Using email, the board can rapidly communicate regarding the status of applications, renewals, and requests for various board services; provide law and regulation updates; and disseminate important board news directly to each applicant and licensee—from the board to your email inbox. It doesn't get much easier!

Also, using the Department of Consumer Affairs' BreEZe online services system, email is the standard method of communication. You can submit your email address through BreEZe at www.breeze.ca.gov.

Substance Abuse Hotline

Do you know a physical therapist or physical therapist assistant who is struggling with a drug or alcohol problem? Do you have a problem?

If so, the Physical Therapy Board of California (PTBC) has a voluntary and confidential program to help licensees overcome the disease of addiction. You can contact the Substance Abuse Program, Maximus Inc., at (800) 522-9198.

For more information regarding Maximus, refer to the PTBC's website at www.ptbc.ca.gov.

NEW ONLINE LICENSE SEARCH TOOL

The Department of Consumer Affairs' (DCA's) Office of Information Services (OIS) launched DCA License Search, an online license search tool that replaces the existing BreEZe license search.

Some of the features of this enhanced online tool include:

- New, modern look and functionality
- Fast, real-time search results
- Dynamic advanced searches
- Ability to filter searches for more refined results
- More information provided on initial results
- Phonetic searching, which returns results that sound similar to the searched name
- Mobile-friendly
- Full, functional application programming interface

This new search tool was created by a group of talented developers in OIS. In 2018, OIS will expand this new search tool to the Consumer Affairs System to replace the existing web license look-up.

The development team would like to thank all the boards and bureaus participating in BreEZe and OIS staff for assistance with the extensive testing needed to get this project off the ground!

Check out the new search tool at <http://search.dca.ca.gov>.

LICENSE VERIFICATION

Attention, employers: Are you sure your physical therapist or physical therapist assistant employee has a valid license?

Having a copy of the pocket license is the most reliable way to ensure the licensee holds a current and valid license to practice, right? Wrong.

Just like many things in our fast-paced world, a licensee's license status can change at any given time, even after the pocket license has been issued. Licensees can move from inactive to active status or have administrative action taken for violations of the Physical Therapy Practice Act any time between renewals—not just at license expiration. Therefore,

the pocket license provided to the employer may not reflect the licensee's current license status. Moreover, even though a licensee may judiciously submit a completed renewal application and it is processed in a timely manner, address and mail service issues can delay or even prevent a licensee from ever receiving the pocket license.

For current license status, verify a license using the Department of Consumer Affairs' online tool, **DCA License Search**, at <http://search.dca.ca.gov>.

Don't delay, verify **online** today!

DISCIPLINARY ACTIONS

The Physical Therapy Board of California (Board) regulates the profession of physical therapy through the enforcement of the Physical Therapy Practice Act (Act). The following summary indicates administrative actions taken by the board from April 2017–Sept. 2017 against licensees for violations of the Act.

Although every effort is made to ensure the following details are correct, before you make any decision based on this information, obtain a copy of the action in its entirety, including terms and conditions. You can download the copy through the Department of Consumer Affairs' online [DCA License Search](#).
